Kilargo Pty Ltd does its utmost to ensure that all technical information and recommendations are based on factual research, backed up by a wealth of practical experience. Published data is given in good faith but we urge users to determine for themselves the suitability of the products offered, for their own particular application.

For this project, all Kilargo products are guaranteed for two years from the date of sale, against any defects in materials or workmanship and will be replaced without charge in any such case, provided our recommendations have been followed and the seals have been fitted in accordance with the relevant published instructions.

Since the actual fitting of the seals and the conditions of service are beyond our control, no liability can be accepted beyond the above commitment to replace defective goods.
